

National Honor Society Recommendation Form

Thank you for taking the time to complete this recommendation on the behalf of the student. This recommendation is just one of the evaluations used to select potential members who demonstrate high levels of scholarship, leadership, character, and service. Each student needs four recommendations. Two of these recommendations must come from teachers (not counselors or administrators), and the other two must come from community members. Community members **cannot** be a relative or someone known through a paid position.

We are looking for the best candidates for our NHS chapter, so the selection committee appreciates candid comments, both positive and negative. The more critically honest you are on this form, the easier time the committee will have selecting new members. Please use the back of the page or attach a letter if you have any additional information. All information received is *strictly confidential* and will not be released to the student or parent. Please return this form to Mary Thomas by 3:00 p.m. on **Monday, March 13, 2006.**

PLEASE DO NOT GIVE THIS RECOMMENDATION FORM BACK TO THE STUDENT.

Please drop off or mail this form to Saline High School 1300 Campus Parkway, Saline, MI 48176 to the attention of Mary Thomas by Monday, March 13 2006.
