SalineCraftShow

November CRAFT SHOW

OUR MISSION

The mission of the Saline Craft Show is to provide a quality, juried craft show that will benefit both our customers and the school community. Youth groups involved with the craft show have the opportunity to practice life skills and leadership as well as raise money for their activities. The crafts embody skills and reflect respect for both the materials and the processes used. The handcrafted products feature original designs that will enhance the beauty and whimsy of any buyer's environment.

THEN AND NOW...

The first Saline Craft Show was held on November 14, 1987 with 66 craft booths and about 900 shoppers. The concession stand consisted of a crock pot of soup and some hot dogs. By 1998, the show had grown to 210 craft booths and about 7,500 shoppers. Along the way the funds raised by the show helped support the Saline Future Homemakers of America Chapter, which at that time was one of the largest in the country. In 1999, the Saline Community Education Department was brought in to assist with the growing organizational needs of the show. In 2007, the show had 250 craft booths and almost 10,000 shoppers. The funds raised by the show today support numerous Saline High School teams and clubs as well as various community based youth programs.

JURY PROCESS

The Saline Craft Show is a juried craft show to ensure show visitors and shoppers of receiving the highest quality, one-of-a-kind and limited edition work. The jurying process is conducted by a panel of committee members. Each crafter is required to submit photos, which are anonymously viewed by the jury. Entries are judged on the quality of workmanship, creativity and originality. This process assures the standard of excellence that the Saline Craft Show brings to our area year after year.

A LITTLE PLANNING

- **Accepted forms of payment vary from artist to artist.** They all accept cash, and many accept checks or credit cards.
- If you see something you like, but cannot make the purchase right now, remember to **get a business card** or the crafter information, for purchasing at a later date.
- **If you come early before the show opens be prepared to wait in line.** Some of the lines are outdoors, so dress appropriately.
- There is limited parking on the site, however, a convenient **free shuttle service** is available from surrounding school buildings and the Faurecia Plant located at 7700 E. Michigan Ave., across from McDonald's.

WE ARE ONLINE!

www.salineschools.org/saline-craft-shows/

Visit our website regularly as it is constantly changing. The gallery of photographs will give you a preview of the crafters at our shows. You can also review the artists' biographies, where they reveal their crafting history and the reasons they are in the craft world. Craft Show programs can be downloaded from our site prior to the show. Other detailed information about upcoming craft shows is also available on our website.

SalineCraftShows

Search Saline Craft Show and add us as a friend. You will then receive updates on your Facebook wall of our various visits to craft shows. Each year, we visit over 40 shows and are in contact with many crafters from these shows. On our Facebook page, we feature crafters and their product lines to give you a preview of the unique creations they will be bringing to Saline.

2021 COVID SAFETY PLAN ■ SALINE CRAFT SHOW, NOVEMBER 13, 2021

The health and safety of everyone entering the Saline Craft Show is our top priority. With the State of Michigan re-opening we are confident that we will be able to produce a safe, healthy, and responsible Craft Show for our visitors to enjoy. Saline Community Education continues to examine each aspect of what it will take to present the festival that places our guests, artists, and volunteers in a healthy and safe environment. We will inform our guests, artists and volunteers of information and protocols prior to their visit via our website and social media.

COVID PROTOCOLS

Per the mask mandate from the Washtenaw County Health Department, masks are required in all school buildings in Saline Area Schools at all times. The Saline Craft Show is included in this mandate. Failure to comply violates Michigan's Public Health Code and could result in a misdemeanor and/or civil monetary penalties.

Please screen yourself for the following symptoms before entering the building. If present, exclude yourself from the building and contact your healthcare provider immediately.

Any ONE of these:

- Cough
- Shortness of Breath
- Difficulty Breathing
- Loss of Taste or Smell
- Fever

Any TWO of these:

- Fever of 100.4/
- Sore Throat
- Congestion or
- Feverish
- Diarrhea
- Runny Nose
- Chills
- Vomiting
- Headache
- Muscle Aches
- Abdominal Pain
- Fatigue

Thank you for your partnership,
Saline Craft Show
