# CRAFT SHOW

## OUR MISSION

The mission of the Saline Craft Show is to provide a quality, juried craft show that will benefit both our customers and the school community. Youth groups involved with the craft show have the opportunity to practice life skills and leadership as well as raise money for their activities. The crafts embody skills and reflect respect for both the materials and the processes used. The handcrafted products feature original designs that will enhance the beauty and whimsy of any buyer's environment.

## THEN AND NOW...

The first Saline Craft Show was held on November 14, 1987 with 66 craft booths and about 900 shoppers. The concession stand consisted of a crock pot of soup and some hot dogs. By 1998, the show had grown to 210 craft booths and about 7,500 shoppers. Along the way the funds raised by the show helped support the Saline Future Homemakers of America Chapter, which at that time was one of the largest in the country. In 1999, the Saline Community Education Department was brought in to assist with the growing organizational needs of the show. In 2007, the show had 250 craft booths and almost 10,000 shoppers. The funds raised by the show today support numerous Saline High School teams and clubs as well as various community based youth programs.

## JURY PROCESS

The Saline Craft Show is a juried craft show to ensure show visitors and shoppers of receiving the highest quality, one-of-a-kind and limited edition work. The jurying process is conducted by a panel of committee members. Each crafter is required to submit photos, which are anonymously viewed by the jury. Entries are judged on the quality of workmanship, creativity and originality. This process assures the standard of excellence that the Saline Craft Show brings to our area year after year.

## A LITTLE PLANNING

- **Accepted forms of payment vary from artist to artist.** They all accept cash, and many accept checks or credit cards.
- If you see something you like, but cannot make the purchase right now, remember to **get a business card** or the crafter information, for purchasing at a later date.
- Plan to enjoy the Saline area shops. See area map located on page 4.
- **If you come early before the show opens be prepared to wait in line.** Some of the lines are outdoors, so dress appropriately.
- There is limited parking on the site, however, a convenient **free shuttle service** is available from surrounding school buildings and the Faurecia Plant (formerly Visteon) located at 7700 E. Michigan Ave., across from McDonald's.
